

Dear Sir or Madam:

I am writing this letter because I am concerned about the proposed Business Opportunity Rule R511993. I believe that in its present form, it could prevent me from continuing as a XanGo distributor and destroy my small business.

I have been an independent XanGo distributor for less than a year, but I have been in other forms of MLM for several years. Originally, I started my Network Marketing because of the product. I derived personal benefit from the products and wanted to earn additional money. Now my family depends on this extra income to supplement our budget. Please don't destroy my small business. We need it!

Some of the sections in the proposed rule would place a difficult burden on my ability to sell my XanGo products.

This waiting period will give the public the idea that there's something wrong with our plan or me, which reflects badly on me. I also think this seven-day waiting period is unnecessary, because XanGo already has a 90% buyback policy.

One of the most difficult sections of the proposed rule is the seven day waiting period to enroll a new distributor.

XanGo's membership kit costs only \$35. People buy TVs, cars, and other items that cost much more than that and they don't have to wait seven-days. Under this waiting period requirement, I will need to keep very detailed records when I first speak to a prospect and will then have to send in reports to my company. I am a small home business and this burden will hurt or destroy my business.

Finally, the proposed rule requires the disclosure of a minimum of 10 prior purchasers nearest to the prospective purchaser. I am glad to provide references, but in this day of identity theft, I am very uncomfortable giving out the personal information of individuals to strangers.

I have seen many scams on the Internet. This proposed rule will not stop Crooks – they violate the current rules all the time. However I am a legitimate small business owner and it will hurt me. Thank you and please protect our rights.

Sincerely,

Daniel & Sumer Symonds
